

Teacher Certification

The IPSD Human Resources Dept. handles questions about certificate renewal and specific questions for IPSD 204. You may find many answers to your questions by visiting the [Educator Certification System](#).

Each certificated staff member must have a current Illinois certificate that legally qualifies him/her for the duties for which he/she is employed. The staff member will be responsible for securing and maintaining a valid certificate. For more information, please refer to staff website at <http://staff.ipds.org/Depts/HR.aspx>. (Click on the “certs” tab)

Also, each teacher will be responsible for having a copy of that certificate or other valid proof of certification, and a current receipt showing certificate registration with the Regional Superintendent’s Office of Education for DuPage County no later than the end of the first week of school, each school year.
